

Dear Parents/Guardians:

We welcome you back to our school family this fall! We have so much to look forward to as we continue celebrating our 100th school year!

St. Michael School is extremely fortunate to have staff, students and parents committed to the school's mission: To educate through Catholic values the mind, body, and spirit of our students, guiding them to achieve their full potential. Students perform well, staff members are highly qualified and all hold valid Michigan teaching certificates, and school community members are very supportive. In pursuit of our goals of innovation and excellence, our school has worked very hard to keep up with the latest technology, while still offering traditional teaching methods. We keep our class sizes to 20 students or smaller, we give teachers many opportunities to learn the latest teaching strategies through attending worthwhile conferences and seminars, and we keep our Catholic faith at the center of everything we do. We take pride because St. Michael School:

- † Creates an active community of believers through the power of prayer, worship, and Christian modeling.
- † Promotes education of the whole person while maintaining a strong Catholic identity.
- † Thrives because of the loyal, dedicated support of the parishioners.
- † Nurtures a R.I.C.H. environment - Respect, Integrity, Compassion, and Honor.
- † Achieves academic excellence through a positive learning environment, highly-qualified, motivated teachers, and continual updates in curriculum and technology.
- † Strives to maintain a loving, inviting family atmosphere.

We thank you for your interest and continued support in St. Michael School. We are extremely blessed with such a supportive parish and school family, and we can't wait to continue our tradition for the 2017-18 school year!

We are looking forward to a blessed and fruitful school year!

Mrs. Kanuszewski, Principal; Mrs. Vallad, Assistant Administrator; and Staff
